

After last weekend's JJ Swing Extravaganza, you might want to stay away. I don't blame you. Especially after what Jeff said Friday night. Of course, that may just make you want more. In case it does, or in case you want to hear what Jeff might say THIS Friday, come on out to The Shores Waterfront for a rare Friday evening show. That one starts at 8:00. Stay late, things get interesting when Jeff gets tired!

LABOR DAY. Summer's End. Back to School. Football season is on the way. JJ Swing is at Wilson Boat House. Yup. Football!! I mean, JJ Swing at Wilson Boat House! Come finish the summer in style in Wilson! See you at 4:00!
